

Our Production

RF Solutions

- RF Cable Assemblies
- RF Coaxial Connectors
- Cable Assemblies & Connectors from Multiple Well-Known Brands (HIROSE, I-PEX, Molex, Telegärtner, Amphenol, HARTING, HUBER+SUHNER)

Production Capabilities

- Mass Production
- Tailor-Made Production
- State-of-the-Art Production Equipment

Product Range and Support

- Extensive Product Range
- Diverse Applications
- Expert Engineering Support

Photovoltaic Switchboards

- Switchboard configuration
- Assembly
- Electric Overhaul

Our Distribution

- Cellular Antennas
- Positioning Antennas
- WiFi Antennas
- MIMO & Combo Antennas
- Portable AC Chargers for Electromobility
- Wireless Communication Accessories

- Cellular Modules 5G, LTE, LPWA
- WiFi & Bluetooth Modules
- Positioning Modules
- Smart Combo Modules LTE, WiFi, GNSS, BLE
- NExT™ Modules

- Industrial Cellular Routers
- 5G IoT Routers
- Edge Computing Gateways
- LoRaWAN Gateways
- Elevator IoT Gateways
- Cloud Manager Service

- Cellular Routers 5G, LTE, LPWA
- Gateways
- Ethernet Switches
- Modems
- Access Points
- Remote Management System

- Disciplined Clocks
- GNSS Receivers & Antennas
- Packet Timing Solutions
- Smart GNSS Antennas

- Positioning Receiver Modules
- Positioning Receiver Enclosures
- Smart GNSS Antennas

- Wallboxes
- Doubleboxes
- AC & DC Charging Stations
- Dynamic Controlling of Car Charging

- Wallboxes
- Doubleboxes
- Dynamic Controlling of Car Charging

since 1995
